April 24

We took part in the inaugural St Anne's Bagshot Christmas Tree Festival – such a fantastic community event: There were nearly 40 trees from local businesses and groups. The CTK tree was decorated with baubles made by the children who had a lot of fun making them and then seeing them on the tree!

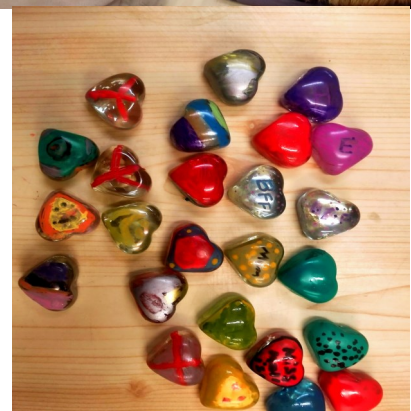

We mark the mark the **First Sunday of Advent**. With our **wreath making event**. The doors and houses of our parish were decorated with these wreaths that portray the eternal love of God manifested in the incarnation of Jesus Christ

We re-launched our **Travelling Nativities** this year and they were a great success, helping our families to prepare for Christmas: Each set has the figures which provide the visual and are accompanied with prayers that are said by the giving and receiving families as they pass the Nativity Scene on to the next family. All who took part found it very helpful in focussing on the real meaning of Christmas

The **Trinity Troopers Youth Club** meets on the 2nd Friday of the month (7.30pm to 8.45pm) at St Tarcisus Hall. It is for children in schools years 4 to 7. CAMEROONIAN SOCIAL EVENING

We enjoyed a wonderful Cameroonian Social evening with Cameroonian food dancing, poetry and culture. The evening was organised jointly by our parish social committee and the Cameroonian Association. With so many nationalities in our parish we look forward to other cultural events in the future!

Easter 2024 brought us many blessing with the beautiful liturgies and devotions of Holy Week. The Holy Spirit has renewed us all with the sacred memorial of the Lords Passion and Resurrection . We are blessed to have lovely music, and a wonderful proclamation of the Passion and Resurrection of Christ. The churches were decorated beautifully for Easter. At the Easter Vigil we were blessed to celebrate the baptism and confirmation of Helen, Annie and Lily Dunphy. Many thanks for their sponsors and the catechists who guided them and other participants through the Alpha and Sycamore Courses.
